White Oak School

White Oak, Texas

Volume XXXII

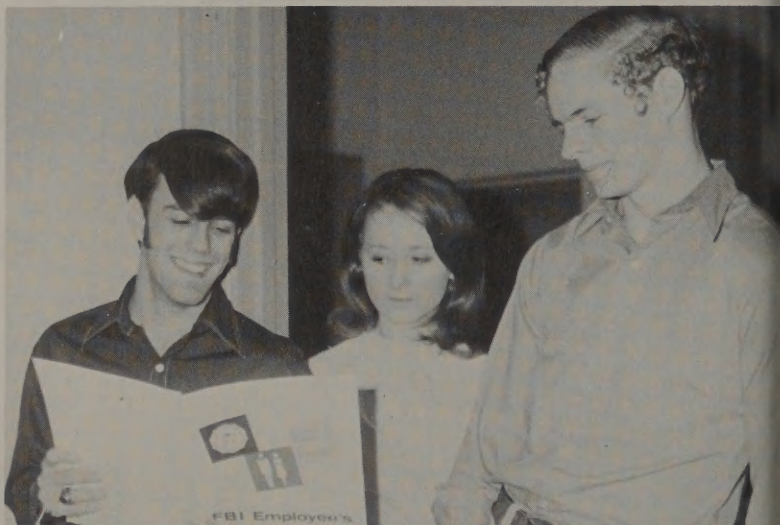

Foreword

Through the years, White Oak has built a fine heritage of proud traditions. Greatest of these is the tradition of Spirit. Spirit is essentially pride in achievement and the willingness to strive for new victories. But, at White Oak, it is more than just winning. It's knowing, whether in victory or defeat, that you gave your best, fairly and without any reservations. It's knowing that the whole school supports your effort and is cheering you on. It's knowing that in the end, your effort might inspire someone else to go above and beyond. And, finally it's being able to think back and remember that throughout the whole year, "Spirit Led."

Annual Signing Party: Signals Start Of New Year

Mrs. Porter doesn't seem to have caught the spirit of things.

School started two weeks earlier this year, and that did not make coming back any easier. However, lively events like the Annual Signing Party helped to relieve the heart-break of lost freedom, short hair, and back to work drudgery.

What? No more cokes!

See, I told you she could write.

Aha! Caught you again, Randy!

Annual signing began before the party for Patty Schroeder, Connie Little, and Kathy McFarlin.

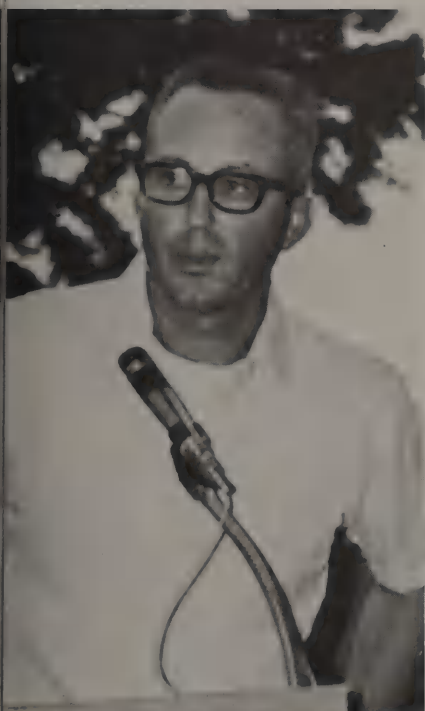

Don Wayt seems ready to faint from hunger.

Kick-Off Supper; First Success Of Season

Senior boys were the first of the football boys to be recognized.

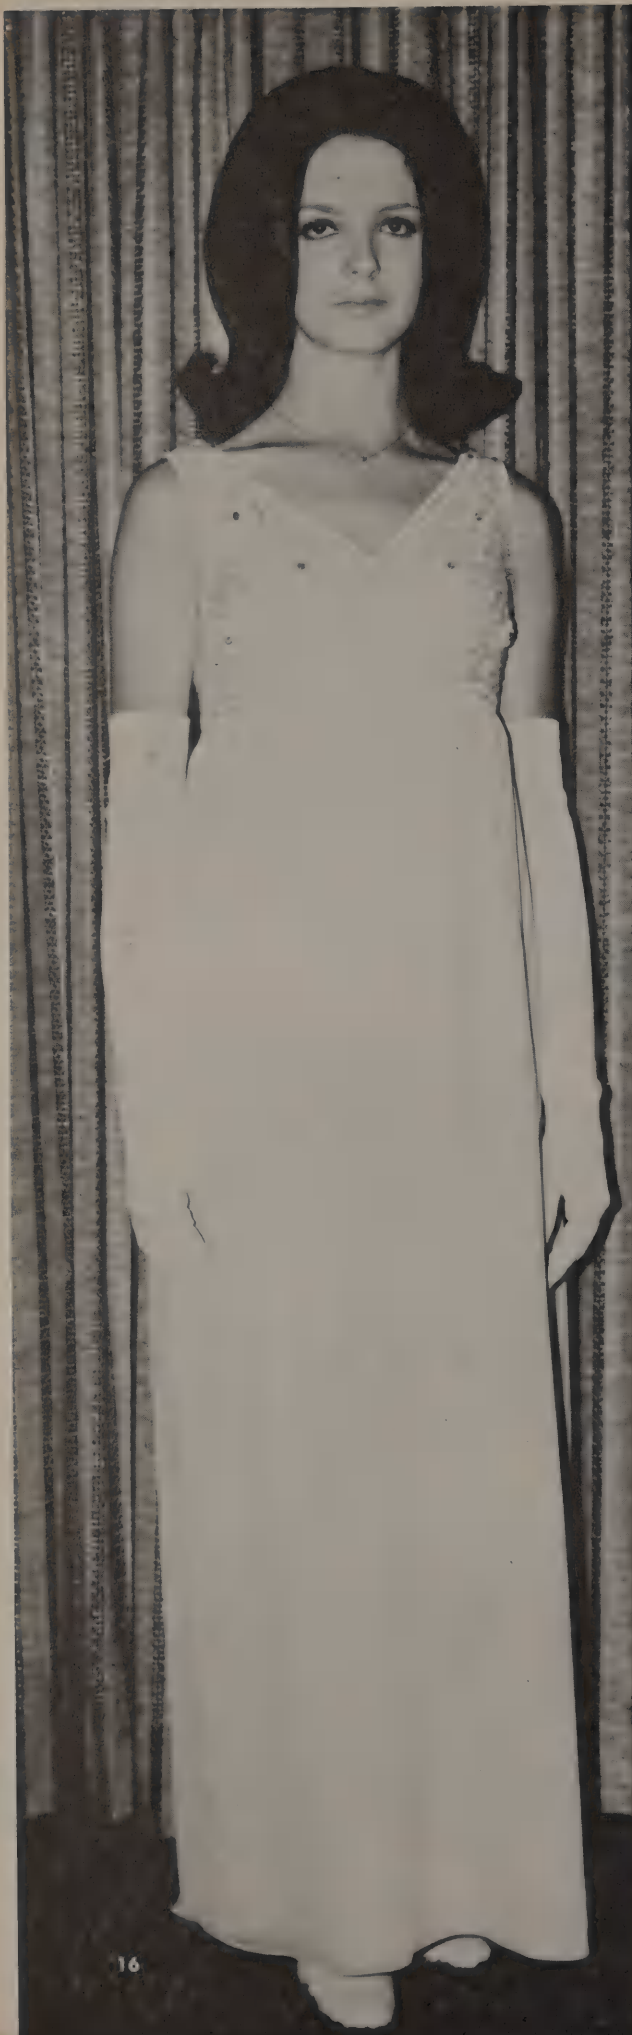

A fantastic crowd of friends, families, and well wishers gathered at Amerada Park to give the Roughnecks a No. 1 send off for a No. 1 season. With Coach Griffin handling the introductions of the team and cheerleaders, the Quarterback Club showed once again their fine cooking talents, and also, once again, the '71 football team showed their talent at packing it away.

Coach Griffin made several introductions before halftime.

Cheerleaders were recognized and finally persuaded to stand still long enough for a picture.

Reigns As White Oak

With an overwhelming vote by the Student Body, Marilyn Frazier was elected to serve as the 1971-72 Miss White Oak. As Miss White Oak, Marilyn competed in the Miss Gregg County Contest and garnered Second Runner-Up. The students and faculty are of like mind in declaring Miss Marilyn Frazier the most beautiful representative of our school.

Marilyn holds run-through sign as Usherette duty.

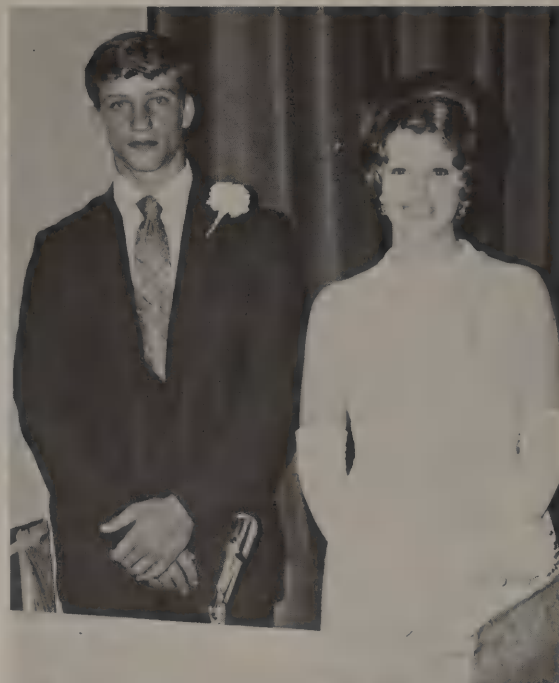

Even Queens must attend school.

Juniors Present Carnival And Coronation

Under the direction of Mr. Glenn Grosdidier and Mrs. Edith Heard, the 1971-72 White Oak Halloween Carnival and Coronation were presented by the junior class in fine fashion. The whole show is put on as a money-raising project for the Junior-Senior Banquet and Prom. The 1971-72 Halloween Queen was Miss Doniece Creighton and the princess was Miss Cyndi Adkinson.

Kim Clay and Tish Bratton do their thing; whatever it is.

Beverly Boss proves that a microphone isn't necessary for a good vocalist.

Randy Dickson, Angie Pendleton, and Steve Reynolds serenade the audience.

The Fourth Dimension provided musical entertainment, or was it?

Little Eddie Bates and Ban Roll-On up another one.

Students Provide Entertainment

The cheerleader's skit showed what is really learned in school.

Rickey Raborn, as the Balloon Man, proved to be the sensation of the whole show.

E. J. Lewis of Louisiana Tech was the featured speaker for the banquet.

The Football Banquet Gave Honors Where They Were Due

The 1971-72 cheerleaders were honored for their outstanding support of the team.

Banquet Honors Successful Season

The 1971-72 White Oak Football team was outstanding and any event honoring them would be by, necessity, outstanding. This year's Football Banquet certainly lived up to those standards. It was the culmination of an exciting, successful, and satisfying year.

Richard Smith was named the Roughneck Club's Outstanding Player.

The coaches and their wives were honored guests once again.

Andy Hallford contemplates his tie, and Goon contemplates the camera.

Five months of hard work, for this?

Student Council Skits Lend A Change Of Pace

Each year the candidates for Student Council offices present themselves and their ideas to the student body at large through skits and speeches presented in a program set aside for that purpose. This program is more than an exercise of amateur acting and rhetoric. It gives the Student Body a chance to meet and understand the people who will lead them throughout the next year.

Those are definitely not regulation fatigues, private!

Ain't no way, man, no way!

A Night Of Memories

Senior sponsors, Tommy and Shirley Atkins, received well-deserved gifts from the Senior Class in appreciation of their four years of hard work and patience.

With The First State Bank doing the honors, the 1972 Junior-Senior Banquet and Prom proved to be a great success. The junior sponsors, Mr. Grosdidier and Mrs. Heard, showed their planning abilities to be first class and their hard work to be much appreciated.

Any organization, from school systems to the National Government, needs a governing body of men and women to supervise the daily operations of that organization. White Oak is no different. The administration of a school is charged with responsibility of setting up the guidelines under which the school must operate. The seven members of the school board, the superintendent, and our elementary and high school principals all deserve appreciation and support.

Organizations

Student Council Proves Their Ability To Lead

The 1971-72 Student Council showed a new wrinkle. Not only was a girl elected president, but all officers were filled with females. But new wrinkles can be good, and this one proved excellent. Throughout an entire year begun with criticism and ending in admiration, our "Ferocious Females" proved themselves equals in the tough job of impartial representation.

THE 1971-72 STUDENT COUNCIL

Officers of the Student Council are: Cyndi Adkinson, president; Susan Spruell, vice-president; Penny Wilson, 2nd vice-president; Donna Dance, secretary; and Preeta Weed, treasurer.

1971-72 Usherettes Show Patience and Poise

The White Oak Usherettes are the official hostesses for our school and often are the only source of contact strangers have with the student body. Performing their twin duties of selling programs and acting as a bureau of information, they always greet visitors with a smile and a helpful attitude. Their enthusiasm in carrying out their assigned tasks is a credit to them and to the entire school.

That man was really a pain in the neck!

Seniors Serve As Spirit Leaders

The 1971-72 cheerleaders proved that they had what it takes to back their teams all the way. This year five senior girls were chosen to lead the student body and to inspire spirit and determination. Through their tireless practice, they were able to present flawless precision drills and skits. Our cheerleaders are a fine group of girls who merit all the praise and respect paid to them.

PTA Promotes Understanding And Leadership

The role of the PTA in any community is to serve as an interchange of ideas between parents and instructors. At White Oak, the PTA serves as an open forum where new ideas and opinions can be given for the benefit of all.

Photographers Are Key To Annual And Guager

For every professional news staff, worth the public's trust, there lies behind it an excellent photography department. At White Oak, this year, our reporting staffs were blessed with the experienced help of our ever-present, behind-the-scene photography staff. Mr. Ritter, in his first year at White Oak, stepped in as head of the lab and has aided it to become a truly fine group of cameramen.

If you think it's easy to hold this equipment up, you're crazy.

All right Dwayne, now tell us what's in that can.

If I aim this brush carefully, I'll murder that roach.

Hard Work Develops Talent

*Terri Eudy
Sweetheart*

Hard work, determination, and pride made the 1971-72 White Oak Roughneck Band outstanding once again. Under the leadership of Ronald Ferguson, Gene Parker, and the senior members, the band marched and played itself to recognition as one of the country's finest high school bands. The highlight of the year was the 1972 Cotton Festival in Memphis, Tennessee, where the band performed proudly and carried the White Oak name and tradition with dignity. Everywhere the Roughneck Band travels, they attract new respect for themselves, their school, and their community.

OFFICERS: Terri Eudy, treasurer; Connie Little, reporter; Marty Warren, vice-president; Vickie Modisette, S. C. representative; Susan Spruell, secretary; Marty Rizzo, president.

1971-72 EIGHTH AND SEVENTH GRADE CHEERLEADERS

You did what?

8th Graders Prepare For Next Year, 7th Graders Learn The Steps

The junior high cheerleaders represent their entire class in everything they do. With Mrs. Donna Mathis serving as sponsor, they help plan pep rallies and receptions, in addition to their duties of leading the cheering at games.

Debra Holley kicks off another yell.

Did you see that boy in the fourth row?

Junior High Builds For The Future Varsity

The White Oak Jr. Necks started their football tradition by posting a 7-2 season. A team that started as a dream, proved Thursday after Thursday that they came to play. Thus the coaches have nothing to worry about in the coming years with a fine team like this one springing up.

Coach Jimmy Johns makes comment on the game at a pep rally.

The football boys show spirit by participating in the pep rally.

Jr. High Footballers Prepare For Action

The transition from sandlot and backyard tag to organized football can sometimes be troublesome. At White Oak, sports training starts early and is well taught. From the very first, the basic fundamentals are taught correctly and each individual player is given the opportunity to prove his talents and ability on the athletic field.

Jr. Necks Post Winning Season

In amassing their 11-8 season, the 1971-72 Jr. Roughnecks shut out their zone opponents to claim the zone championship. With their accuracy from the free throw line and from the field, the freshmen, under Coach Johns, overwhelmed their opponents both in total points and in spirit. This team is a bright promise for the future.

Jamie Pruet, Pam Voss, Donna Morris, Cindy Cavel, Debbie White, Beth Clark, Cyndi Geske, Barbara Johnson, Nina Tuel, Patty Dickson, Terry Mooney, Connie Latting, Mrs. Atkins.

Ninth Graders Go Independent

After a period of time that was practically devoid of interest in girl's athletic competition, interest was revived in a big way. So many girls came out for basketball that there were enough to create a separate freshman squad with their own schedule. By working on their own, they not only prepared for the future, but also strengthened the whole athletic program and opened up new avenues of activities for the girls of our school.

Cyndi Geske sets sail for two points.

SEVENTH GRADE TRACK TEAM MEMBERS: Ricky Adkinson, Melvin Montgomery, Johnny Loftis, Mike Cavel, Mark Cloud, Mark Lain, Jeff Barnhill, Byron Hunt, Mark Browning, Ronnie Vaughn, Jerry Blankenship, Ricky Newsom, Marvin Montgomery, Ricky Harp, Terry Pace.

Sparkled by a 1st and 2nd in girl's singles and 1st and 2nd in girl's doubles, this year's Junior Division tennis team prepared for more victories in the future. Combining a winning spirit with surprising talent, these youngsters amazed everyone who watched them.

Action Is Byword Of Junior High

Will the real "Superbad" please stand?

Spirit Remains

The whole school year is now just a memory, but as such, good or bad, it will live forever in the minds of the people who lived during it. Spirit is an intangible thing. It cannot be touched or handled, only its effects can be felt and seen. This book has tried to capture the spirit of the school, the people in it, and the emotions behind their mutual accomplishments. Remember in 1971-72, "Spirit Led" and triumphed over all.
